Instructions For Students

Dr. B. R. Bhowmik

Dept. of CSE

NIT Karnataka

Instructions

1. The PPT Lectures do not include any audio.
2. PPTs are prepared in details so that students can easily grasp them.
3. Additionally, students are advised to go through following four (4-7) chapters: *Cache Memory, Internal Memory, External Memory, and Input/Output* from the book titled "Computer Organization and Architecture: William Stallings, 10th Edition, Pearson Pub.", or any other standard books on the course title.
4. Many sub-topics may have overlapping with your Operating Systems course.
5. Above All, *Stay Safe and Stay Home in this Covid-19 Pandemic.* See you soon in the Campus.

Thank You
